

NEW FOR 2020 CIVIC Si

- › **LED fog lights** – Offer superior illumination potential
- › **Mirror-mounted LED turn-signal indicators** – Alert other drivers to your intentions
- › **New rim design** – Further differentiates Si from the rest of the Civic lineup
- › **Front bumper inserts** – Provide a more cohesive look
- › **Rear bumper insert (Sedan Si)** – Gives the car a more planted look
- › **Redesigned rear diffuser (Coupe Si)** – Offers a sinister look
- › **Standard Honda Sensing™ suite** – Further enhances the Si safety story
- › **Auto-dimming rearview mirror** – Reduces visual glare for enhanced nighttime visibility
- › **Rain-sensing windshield wipers** – Automatically adjust wiper speed based on precipitation
- › **Illuminated vanity mirrors** – Add convenience and interior visibility at night
- › **HomeLink® remote system** – Allows customers to pair their vehicle to their garage door opener for seamless operation
- › **Updated trim with sporty red edge** – Gives the cabin an extra-athletic air
- › **Red seat trim inserts** – Add visual flair while continuing the sport-inspired red Si theme
