START+ Long Range Remote Engine Starter

\$991.10

Toyota START+ long range remote engine starter enables you to start your Toyota from 800 meters or 2,600 feet away (unobstructed). Toyota START+ activates your pre-set heating and air conditioning system, as well as your front and rear defoggers. Non-Genuine remote engine starters and any damages or failures resulting from installation and use, are not covered by any Toyota warranty. Only the Genuine Toyota START+, is covered by Toyota warranty. All Non-Genuine remote engine starter installation is hostile and requires cutting, splicing and soldering of wires and/or require an additional immobilizer bypass device. All features may not be applicable to all vehicle models.

HomeLink Mirror

\$228.23

Frameless HomeLink® Mirror is battery-operated and helps provide easy entry and exit to your garage. The mirror design complements the vehicles' interior and provides easy access to the buttons which are located under the mirror on the driver's side. Life of the battery could be up to 10 years with normal use.

Universal Tablet Holder

\$111.82

The Universal tablet holder is compatible with virtually all multimedia devices and attaches to the driver headrests for rear passengers. Adjustable pivot/tilt enables users to view the device at eye level. The Universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of road traffic conditions at all times.

Toyota Genuine Dash Camera
